Applications to Taipei Dangdai are open to galleries with a permanent exhibition space, with regular opening hours, holding at least three exhibitions per year; and with a roster of represented artists.

Selection for participation in the Fair is based on the curatorial strength and premise of the gallery's exhibition program and their represented artists. Criteria such as quality of artwork, previous art fair presentations and any projects undertaken by the gallery both locally and internationally are central to the Selection Committee's decision. Submission of your application does not automatically confer the right of admission to Taipei Dangdai 2020. Decisions on admission are made exclusively by the Taipei Dangdai Selection Committee, a panel of internationally recognised and respected gallerists. The Selection Committee will meet in early July 2019 to review applications. We would advise that you apply as soon as possible and no later than the end of June in order to have your application discussed at that meeting.

Booth allocation is determined and approved by the Fair Management. Please refer to the Terms and Conditions on Page 11 for further details.
